

Circle Keeping

Teens will develop a set of skills including

- sharing & listening
- community building
- conflict resolution
- self-evaluation

This opportunity will be offered within libraries to provide teens with a sense of

- well being & support
- community
- self-respect

Join a circle to further experience and be a part of this impact on change within our community.

(over)

This project was made possible in part by the Institute of Museum and Library Services ARPML-250669-OMLS-22.

Circle Keeping
