

# Tutoring Help

*A resource guide to basic skills, computer skills and tutoring programs for youth and adults.*

**Compiled by Milwaukee Public Library**

*Books, DVDs, computers and online resources are available for adult learners and tutors at all city of Milwaukee libraries. Materials for studying for the General Education Diploma (GED) and High School Equivalency Diploma (HSED) also are available. Tutoring services change often; call the agency directly for current information. (See [www.mpl.org](http://www.mpl.org) for updates.)*

# Downtown and East

## 53201

**What is BYTEmke?**

BYTE (Building Your Technology Education) is a coordinated computer training project for adults living in Milwaukee.

The goal of BYTE is to prepare individuals for success in today's workforce by assessing, developing and increasing computer skill levels.

**How much does it cost? Nothing!**

No-cost training for Milwaukee County residents ages 18+ in need of basic computer skills for employment.

**How do I get started?**

Obtain information and registration at a participating BYTE program.

Look for the  **BYTE logo** throughout this brochure.

BYTE is a project of  and is funded through a grant from the Wal-Mart State Giving Program with the following program partners:
